2nd September 2020

Dear Parent/ Carer,

Welcome back everyone. I hope that you have all had a lovely summer break. Just a little reminder of a few things for the start of term.

P.E Kit

To prevent children from bringing their P.E kits into school, this term we will be asking children **to come dressed in** their P.E kits on a **Monday** and **Friday**. Please come dressed in joggers, a plain white t-shirt or a school t- shirt and either their school sweatshirt or cardigan. Please also make sure that all clothing and footwear has your child's name on.

Homework

Homework will be sent out this half term but please be reassured that this will be consolidation for children and not home learning. Tasks that are set for the children should be done independently with very little adult intervention. Further information is to follow.

Water Bottles

Please make sure your child brings a water bottle into school every day with their name on.

Topics

The main aim for the first two weeks back at school is to get the children settled and happy so that they are ready to learn. So with this in mind, our first topic is a whole school topic, 'Back Together Again.' There will be lots of PSHE, art and exploration of our feelings during this topic. After the initial two weeks, we will be moving onto our next topic, 'Amazing Animals', where we will be learning about different types of animals, including dinosaurs.

I am really looking forward to the new term in class 2. We have so many things to look forward to. I am very excited about meeting you all and being your little one's new teacher I can't wait for our new adventures to begin.

Mrs Hoggarth ☺
