Impact: The Sport Premium Funding has impacted our school in the following ways:

Teachers in our school have improved their understanding of PE and their confidence in delivering lessons has improved.

Planning for progression in PE across the school has improved.

All children continue to enjoy 2 hours of PE each week.

Four after school/lunchtime clubs have provided opportunities for all children to engage in extra curricular PE.

Inter school games have been given a higher priority for infant children- we have been involved in organising and participating in these

Whole school dance workshops have been provided for over 2000 children through our links with coaches and other local schools in preparation for our Children's Festival

External providers e.g. SAFC have provided excellent coaching sessions for children from reception to year 6.

There has been an increased availability of coaches and SSCOs as the funding has enabled greater capacity for our Sports Partnership
