18<sup>th</sup> October 2019

Dear Parent/Carer

On Friday 25<sup>th</sup> October, our Key Stage 2 children are invited to take part in an exciting opportunity to experience outdoor education. This will involve lots of hands on, active learning experiences delivered by Playology; a professional teacher delivering outdoor learning activities. This may include nature crafts, campfire cooking, den building and other adventurous experiences. In taking part, your child will have the chance to creatively learn outdoors, while focusing on building independence, resilience and also promoting self-confidence and teamwork.

In order to participate, your child will need to come to school with a full change of clothes. This is because if weather is wet and our outdoor space is muddy, we will still be learning outdoors. Your child's outdoor learning kit is to include:

- A carrier bag (for bringing wet, muddy clothes home)
- Warm, old clothing
- Spare socks
- A coat (waterproof if possible)
- Wellies or old shoes suitable for muddy surfaces

If you have any questions, please do not hesitate to ask a member of staff for further information about what promises to be a fun filled educational day.

Regards

Mrs L Ashton  
Executive Head Teacher
