Children's Science Event

Dear Parent/Carer,

Your child has been chosen to attend a **Children's Science Event on Thursday 5th December 2019 at Wellfield School**. The children will be demonstrating a science experiment to other schools and take part in a range of experiments. We have chosen two children to attend this event with two children from Our Lady of Lourdes School, they will attend under the supervision of Mrs Wright, Deputy Head Teacher from OLOL School. The visit will take place from 9:30am – 11am and children will have their normal school dinner/packed lunch once they return to school.

Thank you for your continued support.

Yours sincerely,

Mrs Hanley
Deputy Head Teacher
