Monday 2nd March 2020

Dear Parent/Carer,

World Book Day

Just a reminder to let you know that World Book Day will take place this Thursday, 5th March, in school. As shared on the previous letter that you received, this year in line with our poverty proofing agenda, **we will not be asking the children to come to school dressed up**. Instead we will be providing the children with an exciting activity that will involve them designing and making a creative item that they can wear and take home with them, this will be provided by the school.

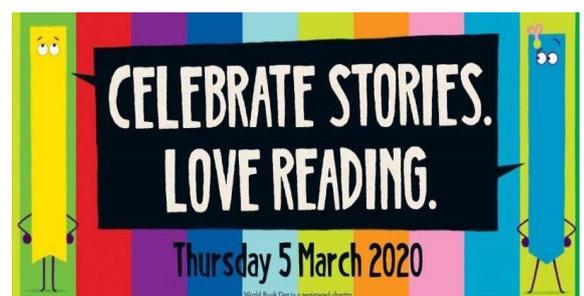

A whole school priority that we are focusing on this year is developing vocabulary, our World Book Day activities will be closely linked to this. To enhance this activity, on World Book Day, **we invite each child to bring into school their favourite book from home** (please make sure the book that your child brings into school has their name written inside of it to avoid any mix-ups). If your child would rather choose a book from school to share, instead of bringing in a book from home, then we have many available in school to choose from.

At 2.45pm on Thursday 5th March, all parents and carers are invited into school to find out a little bit about what the children have been learning and to share a story with your child. If you are unable to attend please don't worry, class teachers will share fun reading activities with your child until the usual collection time. For those parents/carers who can attend, there will be refreshments available.

We look forward to an exciting day of reading and fun on Thursday and look forward to sharing our learning with you.

We hope to see as many of you there as possible.

Yours sincerely,
Miss Macdonald

Respect, friendship, excellence, care
