Chair of Governors: Mr P Francis

25th September 2020

Dear Parents/Carers,

The children have been so excited to bring home their new book bags, I am sure they will be keen to share the contents with you.

We will be sending the children home with a book that they have chosen. Sharing books with your child will help to develop early reading skills.

In Little J's the activities we carry out help to develop children's awareness of rhyme and alliteration and to listen carefully to words and sounds in words. We use the Phase One activities from the Letters and Sounds teaching programme as the basis for our planning, any activities that are sent home will reflect the work done in school.

The children also have access to Bug Club which is an online platform for phonics and reading. I will allocate suitable books and games for the children to play.

I have attached some information on how to support reading at home. If you have questions you can email me l.coxon300@durhamlearning.net.

Thank you for your continued support,

Miss L Coxon
Class Teacher
