Dear Parents and Carers,

### **Class 2 Remote Learning**

You may be aware that we wrote to you last week about the launch of Microsoft Teams. This will incorporate a mixture of pre-recorded and live sessions for all of our children to further support their remote learning.

Unfortunately, Mrs Hoggarth has been poorly and her return to work following the Christmas break was delayed. We are hoping that she will be back with us next week after fully recuperating at home. Therefore, we are going to delay the start of fully launching Teams for Class 2 until the week beginning 25<sup>th</sup> January.

We apologise for any inconvenience this may cause but there will still be the weekly learning uploaded to the Home Learning page on the school website <http://www.st-josephsrc-pri.durham.sch.uk/our-classes/home-learning-zone/class-2-home-learning-2/> In addition to this there will also be new 2Dos set for the children to complete on [www.purplemash.com](http://www.purplemash.com). And just so the children don't feel they are missing out, they will still be given with their Teams log in details and to help them practice using Teams - we would like them to look out for a couple of pre-recorded sessions available from Monday.

Thank you for your support and understanding.

Yours sincerely,

Mrs Hanley
