Chair of Governors: Mrs L Tulett

Friday 8th January 2021

Dear Member of Class 3,

Happy New Year to you all – and what a strange start to 2021! I wanted to write a short letter to say no matter what, I know you are going to make me proud during these forthcoming weeks. The news is reporting lots about Coronavirus, but please be assured happy times will return and whenever that time comes, my goodness Class 3, we are going to make our TEAM great again!

In the meantime, you have lots to keep yourself and your brain busy! Each week I will upload planning on to our Class 3 Home Learning page on the school website. Don't forget to check out the Blog and Gallery to see what your classmates have been up to! You also have access to learning sites – Bug Club, Purple Mash, Ed Shed, Rock Stars and our newest addition, Reading Plus. You can continue emailing me your learning or questions via Purple Mash or get your grown up to email me at g.hanley200@stjosephsblackhall.net .

School is such a strange place without you all; it is very, very, VERY quiet and, to be honest, not in a good way! You are all missed, as I'm sure you miss each other – but you all know how to email through Purple Mash so do try and say hello to your classmates. This small yet simple act of friendship will mean so much, just think of the line in our morning prayer: *'...in all my actions thoughts and deeds help me think of others' needs'* and of course our Mission Statement – *'Let us always show respect, friendship, excellence and care'*. It goes without saying to show these values to your families – not just your school friends – as this could be a difficult time for them too.

So, I will end here for now, and I look forward to when we can all see each other but until then take care, try your best and keep making me proud!

Love from,

Mrs Hanley 😊

Respect, friendship, excellence, care
