01st February 2021

Dear Parent/Carer,

Little J's Home Learning

As you are aware, school is now closed to all but vulnerable and critical worker children.

During this time there will be a weekly timetable uploaded to the Home Learning section of our website. This timetable will incorporate some live sessions as well as pre-recorded and screen free activities for your child.

Children in early years learn best through play and experiences so there are opportunities for child-initiated learning. Child- initiated learning is a time where children plan and select their own activities, and adults participate rather than lead them. Learning can also take place during daily routines e.g. breakfast time, tidy up time. Each week I will upload some everyday activity ideas that can be included as part of daily routines.

Remember these sessions are optional and although children are always welcome, they are not expected to participate.

Kind regards,

Miss Coxon
