

St. Joseph's RC Primary

Reading Challenge!

We have been really impressed with some of the fantastic reading that children have been doing at home and we would love to see some more!

With this in mind, we have set up a whole school reading competition.

From: Monday 01.03.21 - To: Friday 05.03.21

With our World Book Day focus this week, we would love to see as much reading as possible happening across school.

To monitor the reading that is being completed, so that we can pick our winner, we would like to see Class 1 and Class 2 logging on to Bug Club to read and completing the challenges to collect the coins!

In Class 3 and Class 4, we would love to see a huge push on Reading Plus.

Remember that you need to score 80% or over to reach your goal (use your re-reads to help answer the questions!).

The winning Class (who have the highest score) will be announced the following week.

Children will receive a certificate for completing the challenge, and there may be a treat for the winning class!

Team work matters!

RESPECT, FRIENDSHIP, EXCELLENCE, CARE
