## Digital Leaders

In school we have a group of KS2 children who are Digital Leaders.

**This means that they have the important job of:**

- Sorting and distributing computing equipment
- Teaching younger children to log on to the computers and promote e safety across school
- Ensuring that laptops and iPads are charged
- Ensuring that computing equipment is stored safely

They are taking their role very seriously and we are **so** proud of them!

## E-Safety Assembly

Our Year 5 and 6 children attended an e-safety assembly with a visitor in school. They were reminded of the importance of using the internet, apps and online games safely and were taught about the age restrictions for using social media platforms.

## New Starters- Reception 2022

**Enrol your child now for a Reception place in 2022.**

If you have a child who is ready to start school next September, or know of anyone who does, please let them know that visits to our school are warmly welcomed by appointment.

Choosing the right school for your child is a very important decision and therefore we encourage families to come and have a look around and meet the staff.

Visits will take place out of school hours and in line with Covid safety guidelines.

If anyone would like any more information please call or email school.

## Statement to Live By

Our Statement to live by this week will be **'I understand that rights match responsibilities'**. Please take the opportunity to talk about this with your child. It will be the focus of Collective Worship throughout the week.

## Fun Run Update

A huge thank you to our wonderful children who completed the Fun Run in school. They all had a brilliant time and really showed excellence in their attitude towards this event.

A big thank you to all of the parents and families who have contributed by sponsoring the children. So far we have raised £339 and contributions are still coming in each day.

The money will go towards experiences and Christmas activities for the children.

## #Helloyellow World Mental Health Day- Young Minds

Today in school, we celebrated 'Hello Yellow' Mental Health Day. Children spent some time throughout the day focusing on tasks and activities linked to this theme.

#Helloyellow

## Important Dates

Children Break up for half-term

Thursday 22<sup>nd</sup> October

Return to school

Monday 1<sup>st</sup> November
