This Week

New Starters- Reception 2021

A reminder to all of our community that you can still enrol your child now for a Reception place 2022. We also have nursery places available for any children who will be turning 3. Please contact the school office if you would like to know more.

Library Visits

We were delighted to hear from Mrs. Close recently to say that we were able to resume our visits to Blackhall Library.

Children in class 2 have started weekly visits to listen to a story and take out a book to read in school. Children in class 1 will also be starting their visits soon. There is no charge at the moment for replacement library cards, so your child could be reissued a card at no cost if needed, or join as a new member.

Homework

This week, your children will bring home their new homework booklet. It will include a selection of daily tasks to complete and a range of activities on a 'pick 'n' mix' menu, where the children can choose one activity to complete weekly. Your children's log in details for all of our subscription sites were included in the 'meet and greet' packs. If you need another copy, please let your child's class teacher know.

Secondary School Admissions

A reminder for the parents of Year 6 children. Now that you have had opportunity to visit the local secondary schools, your children are busy making the important decision about their new schools. Just to remind you all, that the deadline for school applications is the 31st October 2021.

Statement to Live By

Our Statement to live by this week will be

'I try to stand up for myself and others without hurting others.'

Please make the opportunity to talk about this with your child. It will be the focus of Collective Worship throughout the week.
