We want to keep you informed of any opportunities which may be of interest to you, your family, friends and colleagues. Our school is part of the Bishop Chadwick Catholic Education Trust who work with Carmel Teacher Training Partnership, in seeking high quality graduates for our **Primary and Secondary Teacher Training Programmes** commencing in September 2022.

The Trust is currently recruiting for those interested in teaching **Primary Education**. We are also recruiting for those interested in **Secondary Education** in the following subject areas:

- Art and Design
- Biology
- Chemistry
- Design and Technology
- English
- Food
- Geography
- History
- Maths
- Music
- Modern Foreign Languages
- Physical Education

- Religious Education

Working with the Partnership, which was judged an **Outstanding provider by Ofsted (2019)**, we bccet.org.uk/teacher-training have been transforming graduates into the next generation of 'Outstanding' Primary and Secondary Teachers for over 20 years. With 23 schools (increasing to 34 by next summer) within the Trust based in Sunderland, South Tyneside and the east area of Durham, you will be matched with the perfect school for you.

If you are interested and would like to know more about this rewarding career, we would like to invite you to attend our Virtual Teacher Training Information Session on **Thursday 3rd February from 12.30 – 1.00pm**. To book your place please email enquiries@bccet.org.uk.
