This Week

Holocaust Memorial Day

Yesterday, 27th January, was the annual Holocaust Memorial Day. On this day, we remember people who were killed, or those whose lives have been changed, by an event in History called the Holocaust. At St. Joseph's, we remember in our prayers all those who suffered as a result of the Holocaust.

To find out more scan the QR code above, which will take you to BBC newsround.

Winter Weather

During the coming weeks we will no doubt experience some very cold, wet and wintery weather. Please ensure that children have with them in school a warm coat, hat and gloves as they will still spend time outside. Please also make sure that during periods of snow and icy weather, all children and parents stick to the safe routes that have been marked out in school. We appreciate your cooperation in keeping everyone safe.

British Values

This week, children across school have started to think about our Queen and what a special year this will be for our country. Children have voted for activities and focussed on the Queen and her reign ahead of the upcoming Platinum Jubilee.

Please Remember in your Prayers

Please remember all of the children in year 4 and 5, who are about to start their Holy Communion preparation. After much delay, we are thrilled that the children are now able to take the next steps in their faith journey and prepare to receive the Eucharist for the first time. Our thoughts and prayers are with them and their families at this important time.

E-Safety

E-Safety forms a significant part of the work that we do with our children in school. Social media, gaming and apps such as TickTok and Discord mean that inappropriate content, at the push of a button, can be very accessible for our primary aged children. In order to help ensure that you are best prepared to support your child to stay safe whilst using their devices at home, we ask that parents please check out the NSPCC resources themed around 'online safety' by following the QR code link below.

As a parent if you ever have any concerns or worries regarding online safety, and would like to talk to us about it, please contact a member of our safeguarding team:

Mrs Ashton

Mr Fannan

Mrs Hoggarth

Statement to Live By

Our Statement to live by this week will be:

"I listen to what you say. I show that I am listening to you

Please make the opportunity to talk about this with your child. It will be the focus of Collective Worship throughout the week.
