

In Science, we will be exploring the season of Autumn. We will be observing how summer changes to Autumn and what this looks like. We will also be exploring plants– what they need to survive and grow and labeling their main parts.

P.E. will take place on a **Monday** and **Wednesday** afternoon. This term we are encouraging children to come to school wearing their P.E kit. As this subject is an essential part of our curriculum, please ensure that children have a white t-shirt, navy shorts and plimsoles for their indoor kit.

Our topics this term are health, fitness and tennis where we will be learning how to keep fit and healthy and practicing our hand eye co ordination while we use a bat and ball.

## Autumn Term 2022-2023

Dear Parents / Carers,

I hope you have all had a lovely summer break with your families. It is so nice to see all of the Y1 and Y2 children return to school enthusiastic and ready to learn.

This term, we have some very exciting learning experiences to look forward to.

Some of the class books for the term are; Jack and the Beanstalk, Pumpkin Soup by Helen Cooper and Where the Poppies Now Grow by Hilary Robinson and Martin Impey.

We will also be writing poems based on fireworks and writing letters to Santa.

In History, we will be focusing on toys through time. I think that we will thoroughly enjoy this topic, as we explore what toys looked like long ago.

In Geography, we will be focussing on where we live- looking at our local area.

In Maths, to begin with, we will be focusing on counting and place value. We will be using a range of practical equipment to help us to understand what a number looks like, how we can count forwards and backwards, how to find out one more and one less than a given number. We will then move onto learning how to solve addition and subtraction calculations. After that, we will explore shapes and money and Y2 will begin to learn about multiplication and division facts.

Please don't forget that I am always available to speak to at the start or end of the school day if you have any queries or concerns. I am always here to help and support in any way that I can.

Many thanks,  
Mrs Hoggarth
