Welcome Back

A warm welcome back to all of our children and families following the summer break. We hope that you had a chance to enjoy some quality family time together and are looking forward to the new school year. Over the summer, we have had building work carried out in school to enhance the school environment. We are excited about all that we have planned this term and look forward to having our parents and families into school and sharing these experiences with us.

School Facebook page

We are launching our school Facebook page in school and feel that this will be a great way to share all of the fun and learning that is taking place in school. A short electronic Forms survey has been sent out to all parents. Please return this ASAP as we will not be able to include photographs or videos of your child on our Facebook page until we have this consent.

School Photographs

This year our school photographs will be taking place on 11th October. We will be using Phototronics. More information regarding specific arrangements will follow, but we just wanted to share the date so that parents/carers are aware that this will be coming up.

Macmillan Coffee Morning

On Thursday 29th September, we will be holding a Macmillan Coffee Morning in school from 10am-11am. All are welcome to join us and we would love as many people as possible to come along and show your support.

Fun Run

As we do each year, the children will be taking part in a sponsored fun run, in school on the Friday 23rd September. This event is very popular with the children and is a great way of raising funds that go back into providing resources and experiences for our pupils. We understand that financially times are difficult, however, if you or family members are able to sponsor your child for this event, however small the donation, it would be gratefully received by the children.

Year 6 Residential

We would like to wish the Year 6 children attending the residential a wonderful time bonding and developing team work skills ready for the year ahead.

Earrings reminder :We ask that for safety reasons all earrings are removed before your child comes to school. If for any reason earrings can not be removed please contact school and speak to Mrs Ashton.

Statement to Live By

Our Statement to live by this week will be:

' We are all special'

Please make the opportunity to talk about this with your child. It will be the focus of Collective Worship throughout the week.
